**CHAIRWOMAN DIMITRIJEVIC TO SPEAK AT  
9th ANNUAL MATC GREEN VEHICLES WORKSHOP**

**Milwaukee, WI** – Milwaukee County Board Chairwoman Marina Dimitrijevic will be the keynote speaker at this Friday's "Driving Towards 2020: Green Vehicles Workshop" at the Milwaukee Area Technical College. The workshop will showcase energy-efficient and diminished-emission vehicles for the present and near future.

"Promoting fuel efficient vehicles and alternative fuels results in cleaner air and greater energy independence," said Chairwoman Dimitrijevic, who plans to discuss her "Green Print 2.0" legislation, which will build on the success of the original Green Print. "We will continue to raise the bar on environmental and conservation standards within Milwaukee County."

"We have already achieved a number of milestones since the Green Print was enacted five years ago, and we have set some exciting new goals in the Green Print 2.0. A key provision will continue to be the purchase of hybrids and other alternative fuel vehicles."
